

AquaKids® Winter 2019 Split Payment Plan Guidelines and Agreement

As a convenience to AquaKids® customers, we are offering the opportunity to pay for lessons in an installment plan. Online registration is not an option for those who wish to participate in the payment plan as the system will charge the entire session cost. Parents may register their children in person, by email, or by phone. The following outlines the specifics of participating in the payment plan.

Read and initial the following statements

_____ A credit card on file for AutoPay in your parent portal is required to participate on the split payment plan. (Go to www.aquakids.com, click yellow enroll online button, and log into your parent portal to save credit card information). AutoPay credit card information must be on file before attending your first lesson.

_____ The total class cost is divided into two installments. The first installment is due at the time of enrollment. AutoPay transactions will be processed for the one remaining installment on February 15, 2019.

_____ By signing up to participate on the payment plan, you are stating that you are arranging payment for the entire 2019 Winter 20 week session. Should you decide to withdraw from class, a written 30-day notice is required before you stop coming to class so that AquaKids® may assign an exit date and fill your child's space in that class. If you do not give a 30-day notice, you will be charged for the classes whether or not you attend.

_____ If AquaKids® is unable to obtain authorization; a \$10 fee will be assessed to your account. If you wish to make payment by cash or check, you must do so on or before February 15, 2019. Credit cards will be processed on February 15, 2019 for accounts that have a balance due. AquaKids® does not make "reminder" phone calls regarding installment payments.
