

Coronavirus Update - CLOSED Until Further Notice

Dear AquaKids Families:

AquaKids is committed to the health and safety of our employees, families, and the overall community. We wanted to update you on our plan moving forward.

At this time, we do not believe it is feasible to re-open on 4/1/20. We do not know when we will be able to re-open but are following the local, state, and federal news, developments, and guidelines. At this time, we are closed until further notice and will let you know when we plan to re-open once we have that information.

Reminder: we are NOT charging April tuition on 4/1/20 and will not charge tuition until we re-open.

Please be patient with us and consider staying enrolled to support your favorite swim school. We would appreciate it if you would hold your withdrawal forms until more information is available. We have been serving the communities of Flower Mound since 1999, Keller since 2006, and McKinney since 2018. By staying enrolled, you are helping to support a small, family-owned business.

The best way to reach us is by email at this time. You can respond to this email or email your location directly with the information below.

Thank you for your continued support. Please stay safe and healthy. See you soon!

Sincerely,

Andrew D. Kline
Chief Operating Officer
